HISTORY

HOW WE GOT STARTED

The Stephen Olford Center of Biblical Preaching was dedicated on June 4, 1988, in Memphis TN, to promote the exposition of Scripture and practical training for pastors, evangelists, and lay leaders.

CONTINUING THE MINISTRY

Dr. Stephen Olford went to heaven in 2004, and in 2009 the Olford family partnered with Rev. Richard Hamlet, Founder and President of Global Ministries Foundation and preaching mentee of Dr. Olford's, to establish the Stephen Olford Ministry Legacy Project.

The project preserves and extends the powerful preaching and teaching ministry of Dr. Olford. In 2015 GMF purchased the Stephen Olford Center. Words cannot express how humbled and grateful Rev. Hamlet is that GMF owns and operates the SOC. GMF shares Dr. Olford's vision to "preach the Word and reach the world."
